

Everything DiSC[®] – The Culture Catalyst[™]

The workplace is changing at a fast pace, with a dramatic impact on people and organizations. Everything DiSC[®] – The Culture Catalyst[™] is an exciting live event where we will explore the changing workforce and how organizations can adapt in order to thrive in this landscape.

During this event, we'll highlight the power of Everything DiSC solutions as a catalyst for transforming organizational culture, empowering individuals, and creating a culture of communication.

- Engage in fun activities that show the value of self-awareness
- Collaborate with peers across varied industries
- See how today's organizational structure is impacting culture
- Discuss foundational principles that will lead to improved communication
- Learn how Everything DiSC and its application suite teaches more effective workplace interactions

NOTE: Attendees will receive a complimentary Everything DiSC Workplace[®] or Everything DiSC Productive Conflict[®] assessment
