

Create a New MyEverythingDiSC Account

You can setup a MyEverythingDiSC account after completing your Everything DiSC® assessment. Contact your Everything DiSC administrator if you have any questions.

From the Assessment Site

1. Click the link in the email you received to open the website where you took your Everything DiSC assessment.

2. Enter the email address and password you created before taking your assessment and click **Sign In**.

Welcome back to your personalized learning experience!

Please enter your email address and password to complete your assessment.
Passwords are case-sensitive.
